PARIS (AP) — A man identifying himself as a member of West Germany's Red Army Faction (RAF) threatened Wednesday to kill Alabama Governor George Wallace as he was ending his four-day Berlin visit. Wallace confirmed the telephoned threat on arrival in Paris but told newsmen: "I'd rather not talk about it — I really don't have any comment." A West Berlin police spokesman said a call was received at Wallace's downtown hotel and the male caller declared: "Here is the RAF. Mr. Wallace is staying with you. We will kill him still today."
